

What is the School District's Role in Supporting My Student's Success?

Local educational agencies (LEAs) are defined as school districts, that are responsible for the following actions:

- ◆ Plan and implement educational programs, activities, and procedures that involve parents/families as required under Title I.
- ◆ Reserve 1% of Title I funds for parent/engagement activities.
- ◆ Develop a parent/family engagement policy with the participation of parents/families.
- ◆ Provide full opportunities for participation of parents/families with limited English proficiency, parents/families of migratory children and, when appropriate, in a language and format that they can understand.
- ◆ Conduct annual parent surveys and implement changes based upon the results of those surveys
- ◆ Build capacity by providing early literacy and technology trainings that will help parents/families work with their children to improve academic achievement.

Long County Middle School supports the philosophy that all children can learn and that education of the whole child is a fundamental responsibility. Through collaboration in an atmosphere of mutual respect and cohesiveness, all stakeholders assume responsibility for each student's education.

What is Title I?

Title I is the largest federally funded program for elementary, middle, and high schools. Through Title I, money is given to school districts around the country based on the number of low-income families in each district. Each district uses its Title I money for extra educational services for children in most need of educational help. The focus of the Title I program is to help all students meet the same high standards expected of all children.

With Title I Programs:

- ◆ Children do better in school and feel better about themselves.
- ◆ Teachers understand the needs and concerns of the students, parents, and families.

Parents/Families Can Get Involved

- ◆ Volunteer at school.
- ◆ Show your child that you care.
- ◆ Keep in touch with the school.
- ◆ Express high educational expectations.
- ◆ Attend school meetings, functions, and events.
- ◆ Seek out information.
- ◆ Be an active part of decision making committees.
- ◆ Make school important.
- ◆ Be seen at school.
- ◆ Be informed and responsive.
- ◆ Visit your school website.
- ◆ Participate in workshops that are offered.
- ◆ Provide a rich learning environment at home.
